Operators, Machines and Films Furnished for Evening Entertainments, Etc.

The New Premier Pathescope

Flickerless "Safety Standard" Motion Picture Projector Embodies seven years of successful experience gained in the world-wide sale and use of over 10,000 former models in exclusive City and Country Homes, Schools, Churches, Clubs and Commercial Establishments.

The Pathescope Co. of America, Inc.

Dept. C, Acolian Hall, New York City.

Agencies in Principal Cities

We number among our patrons Vincent Astor, Mrs. J. Ogden Armour, Frederick G. Bourne, Geo. W. Baker, Mrs. Edwin Gould, H. O. Have-meyer, Jr., Otto Kahn, Chas. S. Mellen, Henry C. Phipps, Mrs. Jacob Schiff and Mrs. Alfred G. Vanderbilt

Schools and Institutions

Over two hundred thousand Public School children see Pathescope Educational Pictures every week through the equipment of only one hundred of the New York Public Schools All schools need and should have them Many now used and more needed by the Y M C A. Boy Scouts, Camp Fire Girls, Christian Endeavor Society, Epworth League, Social Settlement Workers, Parenta Associations, Industrial Welfare Societies, Orphan Asylums, Convalescent Homes, Sanitariums — everywhere that life can be made better worth living by the safe use of wholesome motion pictures.

Industrial Users

We number among our clients the most prominent manufacturers using motion pictures as an

aid to salesmanship.

Many of them adopted the Pathescope after unsatisfactory and expensive efforts to use unapproved projectors with dangerous celluloid films. The salesman equipped to show his product by motion pictures not only gets a showing but

gets the order. Literature on request if not convenient to call at the Pathescope Salon

..............

A Gift for the

Whole Family

For a Lifetime

The New Premier is as great an improvement over the former models as the modern self-starting, high-powered limousine is superior to the auto of ten years ago. So simple that any-body can operate it So exquisitely built that its pictures amaze and delight the expert critics. So safe with its narrow-width, slow-burning film that it is labeled by the Underwriters "Enclosing booth not required"

Can be used anywhere without a licensed operator or insurance restrictions.

Weighs only 23 pounds with universal motor Fits in a small suit-case for the traveller or can be mounted on a handsome cabinet

Through the Pathescope Film Exchanges already established in principal cities the Pathescope owner may rent or exchange reels

Nearly 1500 reels of the world's best Dramas, Comedies, Animated Cartoons, Scientific, Travel, Educational and War Pictures now available, and more added weekly

Think of having Mary Pickford, Charlie Chap-lin, Wm S Hart In your own home, or you

Take Your Own Motion Pictures

with the Pathescope Camera, as hundreds are doing, and preserve a priceless record of loved ones — in living, fascinating action on the screen.
